

FOR IMMEDIATE RELEASE

It's a National Competition!

The Village of Merrickville-Wolford to compete in the Communities in Bloom competition as a National Finalist .

Merrickville-Wolford, Ontario – April, 2017

The Village of Merrickville Wolford will once again compete in 2017 as a National Finalist. Merrickville- Wolford competed in the 2016 Provincial's and was awarded 5 Blooms.

The CiB judges will tour the Village on July 6, 2017. The judges will evaluate the Village on the following criteria: floral displays, landscaped areas, urban forestry, tidiness, community involvement, heritage conservation, turf maintenance and environmental awareness projects, and any efforts towards protecting and conserving the environment.

The Merrickville-Wolford Communities in Bloom Committee wants to involve the whole community in preparing for the 2017 National title! Volunteers are needed to help the CiB Committee prepare for the Judges arrival. All volunteers are welcome and can participate in areas where they feel most confident.

We invite residents of Merrickville - Wolford to participate in the 2017 National Communities in Bloom by volunteering or just by improving and up keeping their properties. If you would like to volunteer visit our website www.merrickvillecib.com or email volunteer@merrickvillecib.com or if would like more information on the Communities In Bloom program please contact communications@merrickvillecib.com
